

Dear Alums,

On behalf of Stuart, we would like to invite you to join The Associated Alumnae and Alumni of the Sacred Heart (AASH) Network. One of the shared objectives of AASH and Stuart is to establish our role as an organization in the greater service of the Sacred Heart family. This organization boasts membership of nearly 50,000 members in the United States and Canada alone, and they hope to provide opportunities to enhance the benefits of being an Alumnae/i of the Sacred Heart here and across the world.

AASH has launched "**AASH Connections.**" This is a platform to connect Sacred Heart alums to the things they need, including products, services, employment opportunities, internships, mentors, contacts in a new city, vacation rentals, assistance in a foreign country and truly anything else you can think of. We are excited to share this opportunity with our Stuart alums, many of whom have expressed interest in opportunities to network with one another and fellow Sacred Heart graduates.

They are kicking off this school year with a range of listings, including investment advisors, vineyards, film producers, kitchen designers, realtors and other small businesses owned by Sacred Heart alums coast-to-coast. AASH also has vacation rental listings, alums willing to be points of contact in various cities and people interested in forming an online affinity group.

If you would like to join the network please go to <https://aash.org/user/login?current=home> and use FirstLastName (no spaces) as a user name and ask for your password to be automatically reset. If that doesn't work, you can email [NationalOffice@aash.org](mailto:NationalOffice@aash.org) and they will get you set up with a temporary password.

Thank you in advance for your anticipated participation!

Kind regards,
