Student-Athlete and Parent/Guardian Athletics Handbook 2023-2024

This handbook has been designed to give athletes and parents/guardians access to important information in regards to athletic participation at the Stuart Country Day School of The Sacred Heart. It is our intent that this document helps to clarify what the expectations of participation are and that you will find this as a useful resource. This handbook is designed to support but not replace direct communication. In addition, the Director of Athletics is available to provide whatever assistance is required. Any suggestions you may have for improving this handbook are welcome.

STUART ATHLETICS OBJECTIVES

1. Develop life skills such as collaboration, commitment, communication, sportsmanship, and time management.
2. Foster the love of sport through competition, leadership, and teamwork.
3. Cultivate a positive representation of oneself, team, school, and community.
4. Influence leadership through self-discipline, commitment, and responsibility.
5. Improve sport-specific skill development.
6. Create the opportunity to develop social and emotional awareness.
7. Learn to make decisions and operate under pressure.
8. Participate in activities and events that foster team and school spirit across grade levels.
9. Providing tools to manage adversity with resilience and compassion.
10. Create awareness of making healthy lifestyle choices; nutrition, sleep, and body awareness.

STUART ATHLETICS

Our program is governed by the New Jersey Independent Schools Athletics Association (NJISAA) and the New Jersey State Interscholastic Athletic Association (NJSIAA) and competes in the Prep B and Mercer County playoff tournaments.

ATHLETICS PHILOSOPHY

The Stuart Athletics Program offers opportunities to girls in grades 5-12 to participate on a team. The interscholastic athletic program develops strong athletes who are physically, mentally, and emotionally prepared to contribute to their team and to society. We strive to provide a balance between competition at a high level while remaining inclusive and fostering an environment for our girls to challenge themselves and support their teammates. Our athletic program provides girls with vital lessons in leadership, communication, cooperation, teamwork, safety and sportsmanship, enhancing the overall academic experience and teaching critical life skills. Stuart coaches, faculty and administration are highly supportive of athletics as integral to our girls' overall growth and development. Experienced and dedicated coaches expect and model commitment to the team, cooperation in an atmosphere of mutual respect, and exceptional levels of sportsmanship.

The expectation is for our coaching staff and student-athletes to consistently carry out the Sacred Heart Goals & Criteria as a part of the team environment and in practice and competition:

- GOAL ONE: Schools of the Sacred Heart commit themselves to educate to a personal and active faith in God.
- GOAL TWO: Schools of the Sacred Heart commit themselves to educate to a deep respect for intellectual values.
- GOAL THREE: Schools of the Sacred Heart commit themselves to educate to a social awareness which impels to action.
- GOAL FOUR: Schools of the Sacred Heart commit themselves to educate to the building of community as a Christian value.
- GOAL FIVE: Schools of the Sacred Heart commit themselves to educate to a personal growth in an atmosphere of wise freedom.

MIDDLE SCHOOL ATHLETICS

Middle School teams are focused on introducing sports to younger athletes, rules of competition, team building, and fundamental skills of each sport. Whenever possible, we will run multiple teams in a given sport to avoid cutting and providing as many student-athletes to compete as possible. By placing athletes with similar abilities and attitudes on the same team, athletes are able to learn more effectively during each practice and game. Practices are held on Mondays, Tuesdays, and Thursdays from 3:15 PM - 4:45 PM. All Middle School student-athletes are expected to participate in all practices and games.

- Pending tournament dates, some games may fall on off schedule middle school days

Tartans: The Tartans are the highest and most competitive level of the Middle School teams. The team includes our most experienced Middle School athletes who are looking to take their game to the Upper School level. They compete against the highest level teams from other middle schools. Athletes are expected to be an active team member at all practices and games.

Whites: The Whites team is geared towards learning and practicing skill sets that are necessary to play.

Greens: The Greens team is composed of athletes who are new to a sport and practices focus on the basic skills used in game play. Games are limited during the season (2-3 games).

UPPER SCHOOL ATHLETICS

Varsity: The Varsity team competes at the highest level of competition in Stuart's athletic program. Our varsity team includes our most experienced athletes in terms of ability, attitude, and commitment to the team, and our program success is defined by these qualities. Our Varsity athletes practice and compete against some of the most prominent teams in the area, state and country. Throughout each season, the emphasis for the Varsity level of competition includes developing and mastering fundamental and technical skills, maintaining a high level of physical fitness, and working well with all teammates; which is consistent with the Sacred Heart Goals and Criteria. Varsity athletes are taught to strive for excellence in all areas of life through the life lessons taught on our courts and fields. Practices and games are/can be scheduled Mondays-Saturday (Sundays as well pending tournament dates) and will include school breaks (winter & spring). Varsity athletes are committed to their team and participate in all practices and games.

Junior Varsity: Junior Varsity teams are intended for those student-athletes who wish to learn more about a sport, develop the fundamental skills that are needed, and work with team members to become more successful. JV athletes are meant to improve each season to elevate the competition of the Varsity team. Sometimes the Varsity and JV teams work together to create one cohesive program. Practices and games are scheduled Mondays-Saturdays and will include school breaks (winter & spring). JV athletes are committed to their team and participate in all practices and games.

ATHLETE EXPECTATIONS

- Accept and understand the responsibility and privilege of representing their school and community
- Be Committed, Be Present, Be Accountable, and Be Coachable
- Follow Stuart Country Day Code of Conduct
- Communicate with teachers about early dismissals
- Demonstrate pride in themselves, team, and athletic facilities
- Attend and arrive on time to all practices and competition
- Treat coaches, teammates, athletic administration with respect and dignity
- Display sports"person"ship towards opponents, officials, and spectators
- Work hard, play fair, and put your best effort in practices and competitions

- Maintain and return uniforms and any equipment that is borrowed at the end of each season
- Have fun!

PARENT/GUARDIAN EXPECTATIONS

- Support athletes by encouraging them to communicate with coaches (exceptions: athlete is ill, injured, or emergency)
- Support athletes by making sure they are attending all practices and competitions on time (includes: weekends and practices held during break)
- Support athletes by making sure their uniforms are returned
- Respect the actions of coaches regarding coaching strategy, playing time, and rules set forward. Give coaches 24-hours before contacting them about these topics and give coaches 24-hours to respond. Encourage athletes to discuss issues with coaches directly first without any parental involvement
- Understand appropriate chain of communication
 - A. Parent and Coaches (schedule an appointment)
 - B. Parent and Director of Athletics (schedule an appointment)
 - C. Parent and Head of Upper or Middle School or Head of School (schedule an appointment)
- Avoid "coaching" from the stands or sidelines during competition.
 - Coaches coach, players play, officials officiate, and parents come to support and demonstrate good sports"person"ship.

TEAM SELECTION POLICY

Choosing the members of athletic teams is the sole responsibility of the coaching staff. Final rosters are approved by the Director of Athletics before they are made public. Prior to team selection, the coach shall provide information to all candidates on the extent of the tryout period and the criteria for the selection process. Selection lists and rosters are not to be posted. In-person conversations regarding final decisions on the selection process will occur between the coaching staff and the individual student immediately after the last tryout.

TRANSPORTATION & DISMISSAL

Transportation to and from athletic events are provided and arranged by the Athletics Department.

Upper School:

- Athletes must travel with their teams to all athletic events.
- Athlete Drivers: Athletes who plan to drive to an athletic event must have their parent/guardian send an email to the Director of Athletics and their Head Coach. Students driving are only allowed to drive themselves to and from athletic events.
- Athletes who are picked up must check out with their coach.
- Athletes are allowed to go home from an athletic event with a friend if written authorization is sent to the Director of Athletics and their Head Coach

Middle School:

- Athletes must travel with their teams to all athletic events.
- Athletes who are picked up must check out with their coach.
- For away games, return can fall between 5:15pm-7:00pm (pending distance and number of games scheduled for the day). Coaches will provide estimated return times.

PHYSICAL ELIGIBILITY

- All pupils in grades fifth (5) through twelve (12) participating in interscholastic athletics must be given a physical examination within 365 days prior to the first practice session. Physicals must be given by the individual's primary health physician. If you do not have a family physician or health insurance, please notify the nurse (Tine Boss - nurse@stuartschool.org) and athletic trainer so arrangements can be made.
- All physical paperwork must be completed through Magnus by the predetermined date for each season. Failure to turn in the paperwork on-time may result in the student-athlete not being cleared by the start of the first practice session.
- In order to even try-out or play a sport, students must have an updated physical and a Seasonal Health Interval form on file in Magnus.

CERTIFIED ATHLETIC TRAINER

- The Stuart Athletic Department has an Certified Athletic Trainer (ATC) on staff. Athletic trainers are highly qualified, multi-skilled health care professionals who render service or treatment, under the direction of or in collaboration with a physician, in accordance with their education, training and the state's statutes, rules and regulations. As a part of the health care team, services provided by athletic trainers include but are not limited to: primary care, injury and illness

prevention, wellness promotion and education, emergent care, examination and clinical diagnosis, therapeutic intervention and rehabilitation of injuries and medical conditions. The ATC will be responsible for tending to all injuries to our student-athletes and to follow-up with parent/guardians/guardians immediately following any injury. Although a doctor may clear a student to return to athletic participation, *final approval for student-athletes to return to athletics will be provided by the ATC.*

REPORTING OF INJURIES / ILLNESS

Student- athletes who are injured must:

- Report any injuries to the athletic training staff or school nurse
- If the student-athlete is referred to a physician, they must provide a written medical note
- May only see the athletic trainer during Flex for evaluations or treatment (by appointment).
- Student-athletes should at all costs proactively seek the ATC BEFORE practice.
- Comply with any treatment, rehabilitations, and/or restrictions given by the athletic trainer
- Report any change in condition that occurs during treatment
- If a student-athlete remains in school for the entire day, they are expected to attend practice and/or game/match.

AGE ELIGIBILITY

- An athlete becomes ineligible for high school athletics if he/she attains the age of nineteen prior to September 1. However, any athlete attaining age nineteen (19) on or after September 1 shall be eligible for the ensuing school year (NJSIAA Constitution, Art. 5, Sec. 3C)
- Junior High/9th Grade regulations provide that a student becomes ineligible for 9th grade athletics if they reach age sixteen (16) prior to September 1 of that school year. (NJSIAA Constitution, Art. 5, Sec. 3c)
- Students below the 9th grade are not permitted to practice with students of grade nine (9) through twelve (12). Students in grade eight (8) may begin to practice, participate and compete in summer workouts and leagues with students in grade nine (9) through (12) after the completion and graduation of 8th grade

PRE-SEASON, TOURNAMENT TRIPS, AND SPRING TRAINING

Preseason and Spring Training camps have been put in place to ensure all teams are prepared for their upcoming season play. Each August, Stuartt will hold an Upper School preseason. This is a mandatory tryout process for all sports. Monday through Friday, full day commitment. Upon completion, student-athletes who have been selected to the team will be expected to make a full commitment to the program throughout the duration of the season.

During the preseason and spring training sessions, student-athletes will have the opportunity to:

- practice in their respective sport
- learn the proper techniques of strength, speed, and agility exercises
- participate in team-bonding activities

Attending a tournament trip during the season for Varsity teams is not mandatory, but strongly encouraged.

POST SEASON COMPETITION

Post Season competition is limited to the outstanding individuals or teams, whose performance during the regular season merits consideration for participation in tournaments and meets against equally strong competition. Final decision of declaration to participate in postseason competition will rest upon the coach and athletic director.

ATTENDANCE POLICY

The Stuart's Athletics Department is interested in the health, well-being, and safety of all our students. Student-Athletes are expected to attend all team practices and games; however, we encourage students to stay home from school as well as practices/games if they are sick. Understand that athletics is also a Physical Education course requirement that results in a Pass (P) or Fail (F) grade. The policy concerning absences described below is in place to ensure consistency and transparency within the athletics program.

EXCUSED

- After the 1st excused absence, the athlete's coach will make a decision about playing time.
 - Responses to excused absences may vary from team to team and will be stated in writing at the beginning of the season
- After the 2nd excused absence in the same week the student:

- Will not start in the next competition
- Will compete in fewer events in the case of an individual sport
- Receive a warning and the Director of Athletics will be informed
- After a student has missed 3 days, they will meet with the Director of Athletics
- Some examples of excused absences:
 - Appointments approved by Head Coach in advance (48-hour notice)
 - *For additional health related appointments the following parties must be aware in order to provide a season plan for the student-athlete to have an enjoyable and successful experience: School Nurse, Division Head, Director of Athletics, and Athletic Trainer*
 - Religious obligations approved in advance
 - College visits with notification in advance (48-hour notice)
 - School approved trips with notification in advance (48-hour notice)
 - Illness/family emergencies

UNEXCUSED

- After a 1st unexcused absence, the student will not compete in the a quarter/half/set/event of the next competition
- After a 2nd unexcused absence the student will not compete in the next competition
- After a 3rd unexcused absence, the student will be not complete in the next competition and have to meet with the Director of Athletics and Head of Upper to discuss continuing participation on the team.
- Three latenessess will be equivalent to an unexcused absence
- Some examples of unexcused absence:
 - Missing for extending vacation
 - Birthday parties
 - Outside lessons/team practices/tutoring
 - If a student is in school for the day and leaves without being excused by the Nurse

STUDENT-ATHLETE, PARENT, & COACH COMMUNICATION GUIDELINES

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide a greater benefit to student-athletes. As parents, when your children become involved in our Athletic Program, you have a right to understand what

expectations are placed on your child. This begins with clear communication from the coach and your child's program. It is important to understand that there also may be times when things do not go the way you or your child wish. At these times, discussion with the coach is encouraged.

COMMUNICATIONS PARENTS CAN EXPECT FROM OUR COACHES

- Expectations our coaches have for your child as well as the team.
- Location and time of all practices and contests (located on the website).
- Team Requirements, i.e., special equipment, summer/off-season workouts.
- Disciplinary procedures that result in your child's participation.

COMMUNICATION OUR COACHES CAN EXPECT FROM OUR PARENTS

- Concerns expressed directly to the coach.
- Notification of any schedule conflicts well in advance (two-weeks notice).

APPROPRIATE MATTERS TO DISCUSS WITH COACHES

- The treatment of your child mentally and physically.
- Notification of any schedule conflicts well in advance.

FROM THE DIRECTOR OF ATHLETICS

Email is the primary channel through which the Department of Athletics communicates with parents and guardians. In addition, the Department strongly recommends that all parents of student-athletes sign-up for specific team notifications on the athletic website. By signing up for team notifications, parents will receive automatic updates about changes to the schedules of each team.

EMAILS FROM THE COACHES

Coaches of teams are expected to communicate to their student-athletes as a group, and the parents of those student-athletes via email on the following:

- Expectations and requirements for participation by the student-athlete
- Schedules of off-season and pre-season workouts
- Detailed information regarding dates of any pre-season, off campus trip (when applicable)
- Competition (game) schedule for the season (changes to the schedule are unavoidable and updated on the website)

OTHER DIGITAL COMMUNICATIONS

Stuart Country Day policy prohibits coaches from using personal cell phones and text messages to communicate with individual student-athletes. Group messaging through an messaging app (Team Snap, GroupMe, Sports You, Whatsapp, etc.) to the

entire team is permissible as long as it is directly related to team logistics (practice times, cancellations, schedules, updates, etc).

Coaches and team captains are expected to use team group text messages and group email on issues that are only sport-related. Coaches are expected to monitor any team group text message and ensure that all content is consistent with the Stuart Country Day Code of Conduct.

A coach may respond via their Stuart email to a direct inquiry from a student-athlete via email from a player regarding logistics of practice times and cancellations, schedules, etc. Further, coaches and staff members are not permitted to connect personally (“friend” on Facebook or “follow” on Twitter, etc.) with a student- athlete via social media channels.

STUART ATHLETIC MEETINGS

In addition to email communications throughout the year, the Athletics Department will host or co-host several meetings open to the parents. Participation is highly encouraged. In all cases the Athletics Department will post these dates on the athletics webpage, school calendar, social media sites and send an email reminder of the meeting. These may include:

- Sports kick off nights – prior to the start of each sports season (fall, winter, spring) the Director of Athletics will host a meeting of all Upper School coaches, student-athletes and parents
- NCAA Information night- co-hosted with Stuart’s Office of College Counseling, takes place annually and is recommended for student-athletes and their parents in grades 9, 10 and 11
- Spring break trip information meeting- required for all student athletes and their parents who are participating in an off-campus spring sports trip
- Sports Awards Banquet – conducted in the spring annually to honor student-athletes achievement in their respect sports, all teams, coaches and parents attend

TEAM EQUIPMENT AND UNIFORMS

It is the responsibility of the student-athletes to care for and return all clothing and equipment that she has been issued at the beginning of the season. If any equipment is lost, damaged, or not returned, the student-athlete will be charged the replacement cost of that equipment (\$200). In addition, a student-athlete will not be issued a uniform or equipment for her next athletic season if the prior season’s items are not

returned. Each team may choose to order athletic apparel for their season from the athletics page.

ATHLETICS WEBSITE

The Athletics portion of the Stuart Athletics Website contains information regarding team schedules, directions to venues, news, pictures, and other pertinent information. Please note team schedules are subject to change and regularly checking the website is highly recommended. The Athletic Department highly recommends opting in to receive updated emails/texts directly to your devices.

ATHLETIC AWARDS

The Athletic Department hosts an athletic banquet yearly to honor and recognize all JV and Varsity athletes. Teams with a roster of 12 or more receive 3 awards (MVP, MIP, Tartan, or Most Team Spirit). All-Prep Certificates and Varsity Letters are presented at the Banquet.

TEAM MANAGERS

The team manager plays a very important role as part of the team they are managing. Managers are required to be present for all home games. They are responsible for both pre-game and game-time duties at the scorer's table. In addition, coaches may ask other sport specific responsibilities of the team manager. Repeatedly missing games will result in a manager's removal from the team. Managers will receive a P (pass) or F (fail) for the season.

EXEMPTIONS (PHYSICAL EDUCATION INDEPENDENT STUDY)

Open to Grades 9 through 12, A student in an advanced (amateur/nationally ranked) or competitive level in an activity not offered at Stuart may pursue this activity independently. If the following conditions are met, the student may enter into a pass-fail contract for the activity and receive physical education credit. The conditions of this program must be met in full for a student to receive approval to participate and to receive credit. Approval is granted by the Director of Athletics, Head of Upper School, and Upper School Dean. Click on this [link](#) to see the formal application.

NJSIAA MISSION STATEMENT

The NJSIAA, a private, voluntary Association is committed to serving all types of student-athletes, its member schools, and related professional organizations by the administration of education-based interscholastic athletics, which support academic achievement, good citizenship, and fair and equitable opportunities. We believe our member schools, along with their leagues and conferences, share the following convictions:

- A safe and healthy playing environment is essential to our mission.
- Participation in interscholastic athletics enhances the educational experience of all students.
- Interscholastic athletics is a privilege.
- Excellence in both academics and athletics is pursued by all.
- Interscholastic participation develops good citizenship, promotes healthy lifestyles, fosters involvement of a diverse population, and promotes positive school/community relations.
- Rules promote fair play and minimize risk.
- Cooperation among members advances their individual and collective well-being.
- Training of administrators and coaches promotes the educational mission of the interscholastic experiences.
- Properly trained officials/judges enhance interscholastic competition.
- The NJSIAA is the recognized state authority on interscholastic athletic programs

COLLEGE RECRUITING RESOURCES

Stuart Country Day has had several student-athletes continue their collegiate careers at the NCAA Division I, NCAA Division II, and NCAA Division III, as well as play college club sports. The Stuart varsity athletics programs are represented at many colleges such as Princeton University, Georgetown University, Boston University, UPenn, Bucknell University, Tufts University, Coast Guard Academy, and many others. If you are committed to play sports in college, please contact the Director of College Counseling and the Director of Athletics.
