

# Oceanside Orlando School of the Sacred Heart

By Hannah Yanni, Kate Spadea, Katie Hackett, Michelle Sun,  
Nae-Nae Fitchett, Jennifer Wang, and Gloria Wang

# ● Oceanside Orlando

## ○ About

Oceanside Orlando is a co-ed Sacred Heart school for kindergarten through eighth grade students in Orlando, Florida.

Why?

# Our Mission

The Mission of Oceanside Orlando School of the Sacred Heart is to educate our students on how to employ basic life lessons to be sustainable, productive, and faithful community members while continuing to live out the five goals of the Sacred Heart.

## The Five Goals

1. A personal and active faith in God
2. A deep respect for intellectual values
3. A social awareness which impels to action
4. The building of community as a Christian value
5. Personal growth in an atmosphere of wise freedom

- What basic life lessons do we apply to our students' lives?
  - How you, as a community member, can help the environment on a daily basis
  - How you, as a hardworking student, can make the most of your time and given space while continuing to be an active learner
  - How you, as a faithful individual, can incorporate God into your everyday life and let faith impact your decisions

# Sustainability

“

*“The greatest threat to our planet is the belief that someone else will save it”  
-Robert Swan*

**We teach our students to take a stand  
against pollution and environmental waste**

● How does location help the school be sustainable?

- Percentile of Sustainability
- The sun
- Wastewater Wetland System

# Sustainability Goals

- To teach our students how to live sustainable and resourceful lives
- To make our school as environmentally friendly as possible
- To embrace the beauty of the outdoors everyday through our sustainability classes

● In what ways will our school be sustainable?

- We have solar panels to supply our school with electricity
- We have a rain garden surrounding the chapel that collects rainwater
- Our furniture is made from recycled materials such as plastics and papers
- Our carpeting is made from recycled tires

# ● Spirituality

## What ways do we teach religion to our students?

### Theology Class

Starting at the age of 5, our students begin their spiritual journey by taking theology classes every other day.

### Sustainability Class

Our students are taught to always take care of the Earth and do what is best for our environment because it was a gift from God to us.

### Goal 1

The first Sacred Heart goal is: Schools of the Sacred Heart educate themselves to a personal and active faith in God. Our teachers and faculty try to enforce the goal in our students' lives every day .

### Worshiping Garden

Surrounding the Chapel, our school has a worshiping garden made for praying and worshiping throughout the day.

### Morning Prayer

Every morning, the students have prayer, where they are welcome to share all their worries about the coming days.

### Monthly Mass

Every first Friday, the students and faculty come together to a Mass at our school's chapel.

# Student Life

Lower School and Middle School

## Lower School

### About Oceanside's lowerschool

- Our lower school consists of about 360 students in kindergarten through fourth grade.
- Each grade has at most 40 kids
