At the beginning of the school year, the teachers will checkk with students and will send a note home on how to purchae the text. By doing all at once, it helps us ensure everyone has the correct materials and we are able to connect the student's digital materials to their teacher.		
Theology	The Children's Illustrated Bible	978-0-7566-0935-1	I had been using a classroom set for the girls, but gave them out during US March term so they would have their own copies, and I don't know if I will get them back in September. SO - parents will need to purchase a copy. Should be \$12-15?
