

Hello Rising 5th through 7th Graders! This summer, we are asking each of you to read the book assigned to you below and come back to school in the fall ready to discuss it with a group of your peers. A couple Upper School students and faculty will join you, as well. No tests or quizzes--just fun, friendly conversation about good books! Each of the stories below relates to one of the themes associated with our new Cor Cordis opening: SEL, DEIB, Athletics, Faith, and Health.

Everyone should have been assigned to a book in their top 3 (as long as you submitted the form!). If you do not see your name below or if you signed up for totally different books than where you see your name, please email Mrs. Kocar at mkocar@stuartschool.org so we can work that out! Senior assignments are on page 2. Happy Reading!
